43. Dear Tracey,

It was a great pleasure for me to meet you during my trip to England. Thanks to your companionship my stay in Brighton was even more enjoyable than we had ever dreamed possible, both from a social and from an intellectual point of view.

I spent a weekend in London on my way back, and it was a pleasant rest. Following this, the teenage camp in Paris was quite interesting.

I arrived home with beautiful memories, which I will always cherish, and with deep feelings of gratitude for the people I met in England.

I am looking for some books that you might like to have, and I will be sending them out soon.

With best wishes,

Jane
